

REMARKS

In the Applicants' reply filed on 6/21/05, page 2, Applicants responded with the following:

"Applicants elect Group I, claims 1-29, drawn to a method, and in particular, Applicants elect Species I, claims 1-19 for prosecution on the merits."

In the detailed action mailed 9/06/2005, page 2, the Office Action states:

"The reply filed on 6/21/05 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant failed to elect a single species as required."

The Office Action of 9/06/2005 appears to be in error. As stated in the reply filed on 6/21/05, Applicants elect Species I, Claims 1-19 for prosecution on the merits.

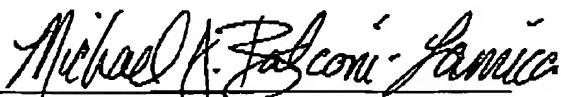

Accordingly, Applicants elect Species I, Claims 1-19 for prosecution on the merits.

The matters identified in the Office Action of September 6, 2005 are now believed resolved. Accordingly, the application is believed to be in proper condition for allowance and an early notice of allowance is respectfully requested. Nonetheless, should any issues remain that might be subject to resolution through a telephone interview, it is requested that the Examiner telephone the undersigned at the number indicated below.

If Applicant has overlooked any additional fees, or if any overpayment has been made, the Commissioner is hereby authorized to credit or debit Deposit Account 503079, Freescale Semiconductor, Inc.

Respectfully submitted,
